Natural & Deluxe Haircare

MICROFILL

The IMMEDIATE solution for your thinning hair.

The new "device" is built to meet all your needs. With **MICROFILL**, cover your thinning areas naturally and instantly non-invasive and easy to use!

MICROFILL

It allows you to apply natural hair fibers exactly where your hair density is low (see our video).

The result is NATURAL and LONG-LASTING until your next hair wash

MICROFILL

It comes with 10 different shades, so you can perfectly match the color to your hair.

MICROFILL

You can also use a single device for multiple shade and therefore for multiple users. Simply change the color, shake to remove any residue, and you're ready to go with the new shade!
